

Dear Parents,

Three more months...Then Summer will be here! Lots of fun and carefree days. Until then, though, there are still lots of fun and learning actually going on at school. With the warm weather, and more outside time, there will be fewer colds and coughs. This is also the time for the big kids to review all the amazing things they have learned. They all are ready for Pre-Kindergarten and/or Kindergarten.

A Big Welcome!

Little Steps keep being blessed with the arrival of three more children:

Nicolas, Raleigh, and Benjamin.

Also, there is a new teacher assistant, Mrs. Daniela M. Campos, starting with us as the Preschool Assistant. She is a certified teacher back in Chile and has a lot of experience working in the bilingual education.

Welcome to Little Steps Family!

A Note from the Director

Hello! It has been a busy month for us at Little Steps...but, finally Spring is here and we are very excited about having a lot of outdoor activities with the children.

This month I would like to take this space to apologize, especially with the Infants/Wobblers parents, for having not been able to find a third caregiver for that class yet. I have been interviewing people during the last two weeks; though, I am very selective when it comes to hiring someone, especially if is for working with that age group I will need a little bit more of time and I promise I will find the right one to give all the attention and love to this group. In the meantime, Mrs. Daniela and I will be there helping out and enjoying them.

Mrs. Tatiana and Mrs. Claudia, you are wonderful caregivers and human beings... I would like, also, to THANK you both for all the effort and support you give me and for the LOVE you give the children every single day with a big and sweet SMILE.

Well, everyone, I hope you all enjoy the warm weather and plan to spend quality time with your family.

Curriculum (Toddlers and Preschool)

Classrooms theme for April will be "Absolutely Different in April". Teachers will have different activities working up logic skills, differences and similarities, opposites, etc. Also, they will explore the world "visiting" Holland and learn about the famous tulips associated with that beautiful country.

Infants and Wobblers

Please don't forget that **every day** you have to check your child's cubby and diapers box for the next day. Parents are responsible to have all the supplies needed for the children such as diapers, Kleenex, extra clothes, blankets, etc.

Summer Camp

Summer is around the corner, so if you would like to have your older children coming to enjoy Summer with us, please let us know.
