

Dear Parents,

Can you believe it's March already? This school year is flying by and what a great year it has been. We still have a few busy months of fun filled activities and adventures. The children are learning and growing everyday. We can't believe how much progress we have seen from August to the present. We are very excited about the warm weather we hope is approaching. I think we all may have a bit of Spring fever.

Curriculum (Toddlers and Preschool)

Classrooms theme for March will be "Move your Motors". Teachers will have different activities working up the fine and gross motors. Also, they will explore the world "visiting" Greece and learn about the Olympics and different kind of sports.

Infants and Wobblers

Our class has been growing as well as our staff in the babies room. Mrs. Joana is part of our family now; please make her feel welcome.

Parents, remember that every day you have to check your child's cubby and diapers box for the next day. Parents are responsible to have all the supplies needed for the children such as diapers, Kleenex, extra clothes, blankets, etc.

Piggy Bank for Haiti

During February our children and staff contributed with the Haiti cause and collected the amount of \$200.31. If any parent still wants to bring the contribution, we will be more than happy to collect it and send it to the needed people in Haiti.

THANKS for all your help and for teaching your children to contribute with this noble cause.

March Newsletter 2010

Open House

Our Open House takes place this Wednesday, March 3rd, in both of our schools. If you know anyone interested on enrolling their child for next school year, please pass this information along.

2010-2011 Enrollment...

If you are returning to Little Steps next year, you will received the paperwork in your child's bag. The forms are **due by the end of April**. We will give you a reminder when it is close to expiring. If you did not receive this paperwork, please inform the office immediately.

Computers

Thanks to the donation of our wonderful parents and church members, Preschool and After School are going to be able to use computers in the classrooms. Preschool will work with different programs and After School will use with the websites provided and required by Beaufort School District.

Drop-Off Time

Please be on time to drop off and pick up your child. This will help your child to follow the school routine with any discomfort.

A Big Welcome!

Little Steps Toddlers room has been blessed with the arrival of three more beautiful children:

Chase, Alexandra and Nicolas.

Welcome to Little Steps Family!

A Note from the Director

It is hard to believe that March is already upon us. Let's keep our fingers crossed that this month will bring milder weather. It seemed that the cold would never stop as we entered our second semester. The good part about the wintery weather was that it brought some wonderful stories and experiences from our children experiencing for the first time, including myself, the beautiful snow that surprised Bluffton after many years.

I wanted to take this opportunity to thank for all the support that the parents have given to our school by telling every one out there about the fantastic job our teachers do every day with your children. I am very grateful with my staff and children. They definitely reward my day and made me feel so proud of them.

Teacher Vacation

Mrs. Abby will be out the last week of March. She will be taking this week as her deserved vacation week. Children will still have classes and homework during this week.

Congratulations!

Congratulations to Mrs. Tabatha because she's expecting her second baby. God bless you and your family!
